

Rev. Msgr. Edward J. Coyle
National Chaplain
Board Report—November 2016

In August I attended the National Convention in Portland, Maine where I celebrated mass and led prayers at various times. The National convention was a wonderful opportunity to meet Catholic War Veterans from across the nation and hear of all the good works they do for their local community.

In September I attended the Father Vincent Cappadono Mass at the National Shrine in Washington, DC.

In November I will attend the Board meeting In Alexandria, Va and the Veteran Day ceremonies at Arlington Cemetery.

In the past months I responded to requests from various local posts concerning questions on Funeral Rituals and procedures. I also worked closely with our legal counsel on various questions concerning membership in our organization and other issues.

I wrote an article for the December issue of our magazine.
