Dear President Trump,

On behalf of the Catholic War Veterans of the U.S.A., I am writing to request your urgent consideration of allowing those interpreters and their families, who are currently unable to enter the United States because of their nationality, to enter.

We Catholic War Veterans completely understand that flaws in systems need time to be resolved. However, we implore you to permit those who risk their lives by willingly working alongside our combat soldiers towards the defeat of ISIS, Al-Qaeda and the like, are placed in extreme jeopardy.

Once again, we support immigration reform efforts, strengthening our military, and responding to veterans' concerns.

May God bless you, your family, and America.

Sincerely yours in CWV,

Arminda C. Crawford
National Commander
