Department of Ohio Spring 2016/2017 Report

March 15, 2017

To: Bishop Protector Higgins, Chaplain Fr. Coyle, Commander Crawford, Board of Directors' Chairman Kasinskas, Executive Director Allan, National Board Officers, Department Commanders and Members of the Board of Directors.

The Department of Ohio is doing well. I am pleased to say that Ohio has 99.95% retainage in membership leaving .05% still needing to pay their pre-capita. I am pleased to say that we added an additional 39 new members. We are still pushing for 100% retainage and hopefully this will be attained. Plus we are constantly doing our best for new members. I am presently working on creating a new post too.

As for posts helping veterans they all are doing marvelous things throughout the state. From paying bills, helping veteran families with donations, purchasing food and gasoline, paying rent, paying car repair bills and payments, donations to Fisher House, helping at Hospice at nursing homes and in private homes, getting involved with veterans departments locally, county wide and state wide just.

I was able to represent the Department of Ohio at the March for Life in Washington D.C. There were so many people there I wasn't able to see any others so I don't know if any other Departments or National Officers were able to attend. It is so nice to see so many of our youth there.

In closing Ohio is doing outstanding work for all of the CWV and our Veterans.

God Bless+
