Dear President Trump,

Once again I write to you as the National Commander of the Catholic War Veterans of the United States of America, Inc., for the sole purpose of your supporting religious freedom by signing an executive order promoting it. I am sending this letter with the complete understanding that this is what you promised in your campaign and it will be addressed. Furthermore, I believe you will promote, enhance and protect this right as promised by our Founding Fathers.

Professing Christianity does not include the overthrow of the United States Constitution and its replacement by some other foreign law or culture. The oath you took and swore to uphold is the same as every veteran and recruit takes upon entry into military service, "...to defend and protect the Constitution against all enemies, both foreign and domestic..." Included in the Constitution is religious freedom and as our Commander-in-Chief, I know you will not let this go by the wayside.

Again, I reiterate our support for you and your administration. You are in our prayers asking God to continue to bless, protect and guide you as you lead our great nation.

Sincerely yours,

Arminda C. Crawford
National Commander
